

# Beginner Kanji FPP – 日

Example of a good first FPP pattern

Finished size: 4" x 4"

Single section / 13 pieces

Seam allowance included: 1/4"

**Print at 100% (Actual size)**

1. Sew pieces in numerical order.
2. Trim to 1/4" after each seam.
3. Press and remove paper when finished.

This block is used as an example of a good first FPP pattern.

- single section
- under 15 pieces
- no assembly required

This pattern is featured in our video:  
"How to choose your first FPP pattern"

If you can finish this block comfortably,  
you're ready for most beginner FPP patterns.
